Donor Acknowledgement Report

July 1, 2022 - June 30, 2023

“ It means so much that once you move on from Marist, that you still consider GIVING back to Marist in some way. We are all asked to give to many different places, but giving back to your school is different. I can tell you from being on the inside that your generosity matters immensely to our planning for the future of education at Marist. Your gift allows us to continue to push forward for the various learning needs of our students. The gift of an education or helping an educational setting is the best gift you can give and we can receive. Thank you for your generosity.”

— Meg Dunneback, Principal

Every opportunity, triumph, and success our students experience comes with a backstory that includes an individual or a group of individuals who made the choice to support, uplift, and encourage by donating to the Marist Fund. As a donor, it is your willingness to bring the love and hope that continues to make a difference in our students' lives. On the following pages, we share the Donor Acknowledgement Report for the 2022-2023 school year. We are blessed with the kindness of so many and appreciate all you do for us.

CURRENT PARENTS

We are grateful for our current parents who actively support our mission here at Marist. In addition to fulfilling their tuition obligations, many volunteer in Parents Club, in the athletic and fine arts departments as well as in the Advancement Office. Their support helps create our exceptional family spirit.

PARENTS OF ALUMNI

The continuing commitment made to Marist each year by the families of our alumni is gratefully received. This past year the school was the beneficiary of support from both parents of recent graduates, as well as from families whose association with Marist began decades ago. To each of the parents and families listed, we thank you.

FRIENDS

At Marist, our "friends" are those individuals who have come to Marist as neighbors, grandparents, extended family, those connecting with a student, or from their belief in Catholic education. Many businesses and corporations will match the amount of a donation from one of their employees or retired employees, increasing the value of the gift dramatically. The companies listed here matched the donations Marist received from our constituents: alumni, parents, parents of alumni and friends. We are grateful to those donors who are listed below who made a gift to Marist in memory of a loved one.

We value their involvement in all facets of the Marist community and we are grateful for their presence.

CHAMPAGNAT DAY DONORS

Although the day is designed to encourage giving, its more powerful message lies in the origins and vision of St. Marcellin – to make Jesus Christ known and loved. On Champagnat Day, these individuals and families shared their love of Marist and inspired each other and the world to support St. Marcellin's vision to make Jesus Christ known and loved.
